

IMPACT STATEMENT

This is your moment to leave an enduring Jewish legacy.

At Adath, the community is with you from the cradle to the grave.

For so many of us, the most meaningful moments of our lives are inextricably interwoven with our Adath family. But there are countless other “everyday” moments just as impactful and enduring: journeys through the magical world of Gan Shelanu preschool, friendships cultivated over a USY retreat or trip to Israel, spiritual connections felt in Shabbat services, meaningful discussions shared around an adult education class, the warmth of a rabbi’s pastoral support, the contentment felt when we see how “at home” our children and grandchildren feel in our synagogue.

You have an opportunity now to preserve and pass on what past generations have planted and nurtured for us.

For more than 130 years, Adath Jeshurun Congregation has served as a pillar of the Twin Cities Jewish community and a leader in the Conservative movement, providing a sustaining source from which individuals and families, young and old, have continued to nourish their spirits. Adath truly is a family: a family that has worked together over the generations to foster an inclusive, connected, and innovative spiritual community.

From generation to generation we perpetuate Jewish values and a deep love of Israel. We maintain our rich history and roots while innovating our approaches to remain relevant and meaningful in our modern day.

The Adath Foundation is our promise for a Jewish future. Your loving act of a bequest or planned gift permanently endows the congregation to secure its well-being for this and future generations. It is a wise investment and a loving expression of confidence in our thriving congregation. It is your chance to thoughtfully determine how you want to be remembered.

This is your moment to honor our past and ensure our future. This is your moment to leave an enduring Jewish legacy. Demonstrate your love, devotion, and connection to our congregation, our community and our future by making a legacy gift today.
