

## IMPACT STATEMENT

Since our proud beginning in 1930 at the corner of Holly and Grotto, the St. Paul JCC has been the center for Jewish communal life in St. Paul and one of the most respected social service agencies in the Twin Cities. For over 80 years, our mission remains to strengthen Greater St. Paul by nurturing physical, intellectual, social and spiritual growth in an inclusive environment defined by Jewish values and culture. Our doors are open to everyone in the community.

We reach out to people of every age and circumstance with a warm embrace. We are the “home away from home” for the Jewish community and a gathering spot for families of all faiths, affiliations and backgrounds. We are the heart of the St. Paul Jewish community.

Our outstanding early childhood, after-school care and summer camp programs are the primary gateway to Jewish engagement for young families. We are a safe place for expression and cultivation of personal identity; a place to join friends and be a part of a larger community; a destination that offers an exciting array of programs from Arts to Zumba.

We make a difference every day. We are the heart of the community, powered by you.
