

IMPACT STATEMENT

Jewish Family and Children's Service of Minneapolis (JFCS) provides essential services to people of all ages and backgrounds to sustain healthy relationships, ease suffering and offer support in times of need. We are proud to say that for more than 106 years, we have been "family" to tens of thousands of people in the Jewish and broader community. Tikkun Olam, repairing the world one person at a time, a central value of Judaism, informs our work and mission. We are here for you, whenever you need us, for many years to come.

Throughout time and as the needs of the community changes, JFCS remains relevant by anticipating the future and keeping a focused eye on the moment. At Jewish Family and Children's Service of Minneapolis we deliver a range of proven programs and services designed to help individuals and families to: meet life's basic needs; remain healthy, safe and independent; find and keep meaningful employment; engage with community; and transition from poverty to well-being and self-sufficiency.

Our Legacy Donors are people like you, who want to:

- Ensure that people with needs and/or in crisis will always be able to turn to JFCS for help and support.
- Recognize that JFCS programs and services are available to the broader community at any time.
- Engage with an organization that you trust and support and will continue to serve this community for the next 106 years.

Please join JFCS and demonstrate your commitment to the well-being of our community by making a legacy commitment for future generations.
