

IMPACT STATEMENT

At Keneseth Israel, we live our Judaism by celebrating every aspect of Jewish life, and, through the actions of our membership, share the beauty and excitement of our community. This congregation brings the light of the Jewish study and the richness of Jewish life to so many of us that are finding our way back to the culture that has made us strong and resilient down throughout the ages.

Keneseth is a Torah observant Jewish congregation of suburban Minneapolis, providing a welcoming environment for Jews of all observance levels. We are a community where everyone is accepted, no matter where they are on their journey. Our synagogue brings conservative Jewish values to a larger Jewish community that is searching for its roots and religious meaning in their daily lives. Torah study and learning sessions are at all levels of observance so that everyone is welcome and encouraged to discover the meaning of a Jewish way of life.

(As many people have come to realize, Jews from all walks of life have strayed from basic Judaism for a wide variety of reasons. Assimilation into modern culture does not, however, mean that we must abandon our Jewish heritage and the lessons of the Torah and centuries of Jewish traditions. Keneseth Israel has grown its congregation and service to the Jewish community in and around the Twin Cities since a young, dynamic and Torah observant leadership was welcomed into the synagogue. Jewish learning, coupled with events and activities that attract young families as well as mature and observant members requires the resources to communicate our message of traditional Judaism and inclusion on a wide scale.)

Our legacy donors are people like you, who are committed to strengthening our basic Jewish values and encouraging our members to bring the fullness of Torah observant Judaism to themselves and their families. Join us!
