

IMPACT STATEMENT

We believe no child should go to bed hungry. Every senior has the right to live with dignity. And all Jews should be able to live—anywhere in the world— without fear of persecution. No one should be forgotten and no one left behind.

We believe in singing Hebrew songs at the top of our lungs at Jewish summer camp and in dressing up like Queen Esther for Purim. In knowing the words for Friday night services... and in adding our own. We believe in eating too many matzah balls on Passover and in covering ourselves with mud before jumping into the Dead Sea.

We believe in building bridges between people and ideas while taking the time to look beyond hashtags and headlines. That together our impact is greater than what any of us can do individually. We believe we can't rest because there's still more work to be done.

And we believe in nurturing the kind of community our grandparents would be proud of, and our grandchildren will thank us for.

If you believe too, please join us in securing the future of the Jewish people.

The obligation is ours. The options are yours.
