

## IMPACT STATEMENT

Walking through the halls of Torah Academy, one hears sounds of children learning, singing, laughing and engaging in their Jewish and general education. Our dedicated teachers insure that the students not only learn Judaism but live it every day! By the time our 2 year olds graduate 8<sup>th</sup> grade, their Jewish souls will have been molded to embrace and carry on the Torah values and beliefs (like honesty, integrity, community and Israel) that they have been immersed in for 12 years. This is why Torah Academy is the heart of the community. It pumps energy and strength to all the other Jewish institutions; both now and in the future.

Every family that aspires to attend Torah Academy is seen as vital to the continued growth and development of the community regardless of a child's special needs or the families' ability to pay.

Generations of Jewish leaders, families and professionals are Torah Academy Alumni and contribute significantly to Jewish life in Minneapolis. Our thousands of alumni have been involved in key community (locally, nationally and internationally) positions spanning all denominations for over 60 years. Their success in leadership begins with Torah Academy's early opportunity to instill the souls of the students with a traditional Torah education and create a Jewish trajectory in their lives forever.

Our legacy donors understand that the vitality of the next generation rests on our shoulders. Your legacy gift to Torah Academy ensures the perpetuation of the sacred mission of the Jewish people.

Please join us in making your legacy commitment to Torah Academy today!
